FOR IMMEDIATE RELEASE

Tri-City Cardiology Announces New Location in Scottsdale Opening on March 26

Scottsdale, Ariz. (March 2, 2018)-Tri-City Cardiology (TCC) is pleased to announce the opening of a new office location serving Scottsdale and the surrounding areas on March 26. The new office is located at 8765 E. Bell Rd., Suite 110, Scottsdale, AZ 85260.

The board-certified cardiovascular specialists with TCC are happy to be expanding into the Scottsdale market to better serve our patients' cardiovascular needs. The services offered at this location will include, cardiovascular consultations and diagnostic testing.

TCC was established in 1979, and consists of 22 board –certified cardiovascular specialists who received training at some of the top medical universities and fellowship programs in the country. TCC provides services to prevent and treat heart disease and other cardiac-related illnesses at multiple convenient locations in Gilbert, Mesa, San Tan Valley, and Scottsdale.

The Scottsdale office is now accepting new patient appointments. To schedule an appointment at our new location call 480-835-6100 or visit TriCityCardiology.com for additional information on our services and providers.
